

THE FRANK THOMSON SCHOLARSHIP or THE WOMEN'S AID SCHOLARSHIP

The Frank Thomson Scholarships were established as a memorial to Frank Thomson, a former President of the Pennsylvania Railroad Company, by his children. Mr. Thomson had a lifelong interest in the education of the youth of his fellow employees. He devoted himself to helping them obtain an education. In addition, a number of Women's Aid Scholarships are offered annually to provide assistance toward tuition and additional necessary expenses for undergraduate study at generally recognized and accepted colleges and universities. Deadline for completed applications, test results, and all other information required is April 1, each year.

THE SCHOLARSHIPS:

Each year the Trustee will make available, for scholarships, the funds necessary to assure the payment of any scholarships awarded by the Scholarship Selection Committee.

Scholarships may be awarded for up to four years and for varying amounts, as determined by the Scholarship Selection Committee. Such awards may be adjusted annually in accordance with the Scholarship Selection Committee's decision as to change in financial need of the student.

Prior to May 31 each year, scholarship holders must submit, to the Trustee, a request for renewal of the award for the next academic year. The scholarship holder's academic progress and financial needs will be considered in connection with the request for renewal.

HOW ARE WINNERS SELECTED?

The winners of the Frank Thomson or The Women's Aid Scholarships will be selected on the basis of their academic records, college entrance examination board scores, current college transcripts (if applicable), financial need, and overall worthiness.
