

CONSOLIDATED RAIL CORPORATION

Matching Gift Program

The Matching Gift program is designed to provide additional incentive for employee of Conrail to contribute to eligible non-profit organizations. Conrail matches, dollar for dollar, the tax deductible portion of donations made by employees up to \$5,000 per year.

Program

Conrail encourages charitable giving by eligible employees. Through its Matching Gift Program, Conrail provides support for eligible educational, health and human service, cultural, civic, environmental, and community organizations. This flyer explains the Matching Gift Program, its requirements and the procedures for obtaining a matching gift from the Company.

Conrail will match dollar-for-dollar the eligible charitable contributions of its employees ranging from \$50 to \$5,000 per employee-donor per year. All full-time, active Conrail employees are eligible to participate in this program. Gifts must be contributions made (not merely pledged) from an eligible employee's own funds and paid by check or donated securities having a quoted market value. Donated securities will be valued at the average of the high and low market price on the date of the gift indicated on Part A of the matching gift application.

In order to be processed, all Conrail Matching Gift applications must include a copy of the donor's check or gift acknowledgment provided by the charitable recipient organization to the employee-donor. The recipient organization will be responsible for providing this supporting documentation at the time the completed application is returned to Conrail.
